Mathew Philip
Amit Mathur

Past President
Vivek A Saraswat

04.06.2021

Professor Dai-Ming Fan
President
Asian Pacific Association of Gastroenterology

Dear Prof. Fan,

On behalf of the Indian Society of Gastroenterology we are grateful to you for sharing words of solidarity and moral support for Indian Healthcare fraternity and other member societies of APAGE during these tough COVID times. We have disseminated this letter to all the members of ISG.

During these unprecedented times, our Government, Healthcare Organisations and Frontline workers have been working tirelessly to flatten the curve and we have ultimately achieved the slowing down transmission of infection.

In such hard times, your words of support and encouragement will uplift the spirits to serve humanity and save lives globally.

As an organization, we are determined to put in our maximum efforts to eliminate and overcome the difficult times so that when we look back "it will be with immense pride in how we have, individually and collectively responded."

Always grateful for your kind words and incessant support.

With Warm Regards,

Dr. Rakesh Kochhar

Dr. Govind K Makharia
