Dear Professor Fan and APAGE Executive Committee

On behalf of the Council of the Malaysian Society of Gastroenterology and Hepatology, I would like to say a BIG THANK YOU for the heartfelt letter from you. We are indeed very touched by the great concern and empathy of the APAGE Executive Committee.

The members of the MSGH have remained positive and strong in these unprecedented times. The Malaysian Government, the relevant Ministries and the frontline workers have been working unrelentingly to flatten the curve. As you have rightly stated, together we will survive and succeed in fighting this invisible enemy.

Keep safe and thank you once again.

Yours sincerely

Professor Raja Affendi Raja Ali
