Dear Professor Fan and friends in APAGE secretariat,

Thank you very much for your kind concern and messages.

I know that many of our colleagues in the Asia-Pacific are still struggling with combating against COVID-19 as well and your greeting reminded me an old saying "A friend in need is a friend indeed". I truly appreciate your support during this difficult time for us and I have forwarded this warm message APAGE to our colleagues in Taiwan.

I look forward to the day that we can have the ordinary face-to-face meeting and get together in person again in the near future.

Wish you the best of health and success !

Ming-Shiang Wu, MD, PhD.

President, The Gastroenterological Society of Taiwan (GEST)
